Emerging science supports the use of information field analysis and the optimizations as goals or affirmations. Information field analysis and optimizations are not intended to diagnose, treat, mitigate, cure or prevent disease and are not substitutes for examination or treatment by a medical doctor or other healthcare professional. Practitioner provides personalized information that can help users understand how to improve their level of wellbeing, vitality and awareness. Practitioner information should not be the only information relied on to make legal, business, medical or personal relationship decisions, and the manufacturer and operator (Serenity Health Resources/Breast Thermography Center, or NuVision) specifically disclaims any responsibility for user actions based on provided information specified, inferred or interpreted.

I understand that Christine Banerjee, Dr. Kelly Paulsen, Breast Thermography Center, Serenity Health Resources and or the attending Practitioner is not an allopathic doctor (MD) and does not portray themselves to be but is providing holographic, biofeedback, thermographic and natural health wellness services. Procedures utilized include digital infrared camera, stress reduction protocols, nutritional wellness consultation and biofeedback.

I fully understand that the attending Practitioner does not offer allopathic drugs, surgery, chemical stimulants, or any other conventional treatments. In addition, Practitioner does not diagnose, treat or otherwise prescribe for my disease, conditions or illness, or perform any act that would constitute the practice of medicine for which a license is required.

I have solicited the attending Practitioner's services in good faith, exercising my free will and following the dictates of my own conscience which allows me to select what I understand is most beneficial to my health.

I am fully aware and release the Practitioner to do holographic screening, thermography imaging, wellness consultation and other natural health protocols. The team at the Breast Thermography Center and Serenity Health Resources respects your privacy and will maintain your session results under strict confidentiality.

I release the Practitioner from any liability whatsoever regarding my session. I take full and total responsibility for my health and I realize that success depends upon commitment on improving my own health.

By signing below, I acknowledge that I have read and understand all parts of this waiver, that I had the opportunity to ask any questions with regard to the described procedures, and that I hereby affirm: I am not here for medical diagnostic or treatment procedures and I am here on this and any subsequent visit solely on my own behalf.
